

# Hope Fertility

conference

**Dear Sir or Madame,** We are pleased to invite you to be one of the sponsors and attendees of our upcoming Fertility Conference. Hope Fertility LLC, a boutique Fertility practice founded in 2020, is hosting its second ticketed Fertility Conference.

**Conference name:** Fertility & Wellness Conference

**Amount of Exhibit/Sponsorship Fee:** \$1850 per exhibit table and \$650 for speaking opportunities.

**Payee name and mailing address:** Hope Fertility LLC 3005 Royal Blvd. S. Ste. 220 Alpharetta Ga 30022

# We would like your participation in this event to make it a success.

The goals of the conference are the following:

**Raise** awareness about fertility and Women's Health.

Women's Health is often overlooked and ignored, especially Black Women's Health. Black Women have the worst pregnancy mortality rates and have one of the lowest success rates for reproductive treatments such as IVF and IUI, often due to lack of knowledge and resources.

——— Educate the public about fertility and empower individuals with knowledge and tools to take charge of their health.

——— Give Fertility Grants (**donated by Hope Fertility LLC & Surrogacy Miracles Family Foundation** a total of **\$25,000**) to patients that would otherwise have no access to advanced reproductive technology treatment.

## Why exhibit and Sponsor?

——— Connect with patients and Women's Health experts.

——— Maximum visibility and exposure before, during and after the event on social media (over 19,000 followers and counting @hopefertility) and practice's website.

——— Multiple networking opportunities with Women's Health Care practices and organizations.

## Key Attendees:

— Reproductive age individuals ages 18 through 55 of all sexual orientation, races, genders, and socioeconomic status.

— **Board certified physicians:**

**Dr. Obehi Asemota.** Double board certified in Obstetrics & Gynecology and Reproductive Endocrinologist and Infertility  
— Founder and Owner of Hope Fertility LLC.

**Dr. Sicily E. Garvin.** Double board certified in Obstetrics & Gynecology and Reproductive Endocrinologist and Infertility.

**Dr. Peahen Gandhi.** Double board certified in the Female Pelvic Medicine and Reconstructive Surgery and in Obstetrics and Gynecology.

— Industry experts/vendors of Women's Health and Infertility.

— Former Fertility patients of Hope Fertility who are sharing their fertility journeys.

# See highlights from our conference last year!

Hope Fertility Conference 2023

Successful!

**Hope Fertility** has done three free conferences (Roughly 30 people attended previous conferences) and one ticketed event in 2023.

This ticketed event is aimed for a broader outreach of 80 to 100 people targeting patients ages 18 to 55 regardless of race, gender, and socioeconomic status or sexual orientation.

**Are you able and interested in supporting our cause by becoming a sponsor for the event?**

Any help and partnership would be greatly appreciated. All funds raised will go towards the costs of the Hope Fertility Conference and future Conferences.
